

---

Full time, permanent **Group Support Worker** required for our busy, active day service for adults with Learning Disabilities.

- As part of our team you will :-
  - support groups of 4 to 8 adults with learning disabilities
  - help and encourage them to take part in activities with their peers both in the community and on-site. This will include swimming, gym other active sessions, allotment, together with on site art, drama, music, cookery etc.
  - ideally have experience of people with Learning Disabilities and of working with groups.  
(This role may also suit someone who has
    - worked in other support roles within a special school secondary setting, group disabled sports or other youth worker activities or
    - has personal contact with people with learning disabilities
    - transferable skills from work or life experience
- This role includes getting involved in lots of varied activities, needs energy and requires a flexible and enthusiastic attitude to motivate those you are working with.
- **A full driving license is essential** and you must be a confident driver as you will be driving our 7 seater vehicles on a daily basis. In addition daily access to your own vehicle is preferable as the role may involve collection and drop off of clients using this.
- An enhanced DBS check will be undertaken and references are required.
- Double vaccination against COVID and willingness to follow strict IPC measures including regular testing is essential

**Hours are Monday to Friday 8am. to 430pm. Your lunch break is taken with the clients and is paid time.**

Our main priority for this role is to find people who share our vision. Qualifications are not essential. We need people with the right values, behaviours and attitudes that match our own.

We believe people with Learning Disabilities thrive when positively supported to engage in purposeful activities with their peers. You will have excellent communication skills, understanding and empathy for adults with Learning Disabilities. You will share our vision to empower the people you work with; to push boundaries and support them to engage and have a rewarding life whilst developing a sense of responsibility for themselves and towards others and their community.

**To apply please email your CV to [staff@yawnlife.co.uk](mailto:staff@yawnlife.co.uk) with a note explaining why you think you would be a great addition to our team and how you feel you meet the above requirements.**
