
Volunteer Needed.

Allotment Planner -

This role will help us get the best use from our allotment. You will be someone with experience and knowledge from your own allotment who would love to share this by directing and guiding our staff led client groups.

- We require someone with experience of planning and cultivating an allotment.
- We would want you to lead our staff and clients every week at our allotment bringing enthusiasm and direction.
- You would lead staff with your knowledge of what should be planted at the allotment and when it should be harvested. Our staff and clients would actually carry out the work with you directing.
- We would provide all equipment and tools needed and any seeds and plants within our budgets.
- We can also provide you with protective overalls and boots.
- Our day service is based just outside Luton Town Centre and transport from there to Stockwood Park Leisure Gardens could be provided if you need.
- We can be flexible with what days and how many hours you volunteer but it would need to be between a Monday and Friday and between 10am to 2pm
- Once you are settled we would welcome your commitment to set days and times as it would help us with our timetabling.

Skills Needed

Essential for this role is your knowledge and experience of running an allotment. We need a committed volunteer who would love to share that knowledge and guide us to develop a productive allotment.

Knowledge of what to grow, when to plant it, how to look after it and when to harvest is essential.

Good communication skills also beneficial.

Benefits to you

All the benefits of allotment enjoyment but without the physical effort.

A sense of pride and achievement.

Social contact.

Keeping active.

Community involvement and sharing your skills and experience

Other Support

Our staff will always be there and are responsible for the clients in their group. They will provide support and share their knowledge of the clients adapting the direction and information you provide as necessary to enable everyone to participate. Your initial induction will include Safeguarding awareness and Privacy training

Inclusive Volunteering

We welcome mature applicants who may have been made redundant or retired from the workplace but have skills and experience to share

About Us

YAWN Life offers:-

Day time activities to people with learning disabilities.

The activities we provide are aimed at keeping people occupied in a purposeful way ensuring they stay active, retain and maximise their ability to live life in the best way possible for them.

Our Vision

People thrive when they are given positive opportunities to learn, develop their skills and get involved with other people. YAWN Life aims to do just that, offering purposeful, daytime activities to people with learning disabilities and support and information to their parents and carers

We are a non – profit making Community Interest Company.

Volunteering to take place at:

Stockwood Park Leisure Gardens (Allotments)
London Road
Luton
LU1 3RN

The allotments are located off London Road Luton

Accessed via a private driveway before you reach the main park/Rugby Club entrance

The site is secure, so access would be with our staff either meeting you there or transport from Park St in the Town Centre may be possible.

Please email or telephone for a chat to find out more.

YAWN Life!

Volunteers Needed

To help organise and plan our allotment at Stockwood Park

Can you Help?

We are looking for enthusiastic volunteers to assist with our Garden Allotment project.

If you can spare a couple of hours a week and would like to share your expertise with us, on a regular basis, we need you!
