

Hi everyone, we hope you are all doing well and gradually getting used to staying at home again. The weather has certainly been miserable this week, but the staff have continued behind the scenes getting everything ready for your deliveries.

This week a big thank you goes out to **TRACEY HOBBS** who is leaving us. Tracey has been thinking of retiring for a while and has now decided that the time is right for her to do so.

Tracey has worked at YAWN Life for 7 Years before this she volunteered and helped run YAWN club and YAWN Disco's.

We would like to thank her for all her hard work and commitment that she has shown over the years. However, Tracey will not be a stranger, once we have some normality back in our lives, she will come into YAWN Life and see you all to say goodbye.

Also you will still see Tracey at YAWN club and the discos once they start again so she isn't going to be too far away.

We wish her luck with her new crafting venture and hope that she enjoys spending time with her grandchildren when allowed.

As from **Wednesday 27th January** we will be trying something new on our Zoom session.

So, clear a space and be ready for lots of **fun** with our **Dancercise** session normal times **11 to 12.30**.
