

Hi everyone, its been great to see lots of your pictures starting to come in showing us how busy you have all been.

We are sorry for any confusion that may have happened due to us not explaining further how long we will be shut for. The simple reason is that at this time we do not have an exact date that we plan to re-open. The situation changes very quickly. Many of you are now shielding until 21st February. We have been told that the government will review how things are going around 15th February. We will then consider what they recommend, see how everything is and let you know as soon as we can.

Luton is still very high in cases and we have to do our best to keep you all safe and the best way to do that at this time is to stay at home. This week some of the staff have been lucky enough to receive their first vaccine and we have also heard that some of you have started to receive them too.

This is great and at least gives us hope that it won't be too long before we see you all back on-site having lots of fun.

We hope you are enjoying your deliveries and have planted your bulbs; we can't wait to see the pictures when they start to grow. Look out in your bags this week we know that some of you still have to go out shopping or to appointments so we have included a pack of masks and some hand sanitiser to help you stay safe.

Zoom session are going well, they are very busy and noisy but part of the fun for you all is seeing all of your friends. We don't really want to limit days/ numbers in each session, but we may have to if it becomes unmanageable.

Unfortunately we need to ask all of you to be kind to each other on Zoom. We do understand that everyone that you see on camera is not necessarily in your friendship groups. You all have additional needs, so sometimes things are harder for you all to understand and realise the effect your own actions have on others. It really does make us sad that what should be a happy time is becoming so upsetting for some of you. SO, COME ON GUYS let's all try hard to be kind, don't let your actions words be mean. Let's all remember what Thumper says "If you can't say something nice then don't say anything at all".

Stay safe !
