

As we say goodbye to the first month of the year, we welcome February with lots of hope for the future.

Great news as many of you are starting to get your appointments through for your vaccines some of you have even had them already. Well done to you all for being so brave the only feedback we have heard has been a bit of a sore arm so nothing that you all cannot deal with.

We hope you enjoyed your Edible Hugs they looked amazing. Lots of pictures are starting to arrive thank you your Fruit crumbles do look yummy.

Its great that you are managing to keep busy, we have over half of you on Zoom every day. The new Wednesday Dancercise went down well, it's great to get some exercise and have some fun.

The country is still in Lockdown and we are eagerly waiting to hear the Government's plans which they tell us they will be reviewing around 15th February. Although we know you shielders will still be shielding for a while longer we hope that we may have some news then about a phased opening. Of course, this will depend on cases and the news but please be assured we are working behind the scenes to get some of you back on site as soon as we can. Your safety has always been our priority and will continue to be so.

Enjoy your deliveries this week and remember to stay safe, only go out if you must for exercise or appointments, if you have to go shopping wear your masks and keep your distance.
